

DID YOU KNOW?

"Gewürz" means "spice" in German.

--Like Riesling, Gewürztraminer is a "cool climate grape variety".

-- The fruit retains its acidity throughout the season until harvest.
--The result is a rich, aromatic, food-friendly wine.

2020 Glitz Bubbly Gewürztraminer

WHAT MAKES GLITZ BUBBLY GEWÜRZTRAMINER SPECIAL

- -- We aim to harvest the fruit for this wine earlier to ensure a crisp, refreshing sparkling character. The 2020 vintage was warm and dry and this fruit for this wine was harvested as a riper level, which give the wine more weight and body.
- -- We use a state-of-the-art process to add carbon dioxide to the wine following fermentation.
- -- The result is an affordable, pleasing sparkling wine suitable for any occasion, not just holidays.

2020 VINTAGE NOTES:

The 2020 vintage was very warm and dry. That meant fruit had a better chance to achieve maximum ripeness and flavor on the vine until harvest.

ABOUT US:, Boundary Breaks focuses on cool-climate grape varieties-principally Riesling, Gewurztraminer and Cabernet Franc. We began planting vines in 2009 and released our first vintage in 2013. Our wines are sold throughout the US and abroad.

Bottling Date: March 2021

WHAT MAKES OUR WINES DISTINCTIVE: Our wines possess a powerful flavor profile. We achieve this in the challenging cool climate of the Finger Lakes by ensuring our fruit achieves a maximum level of ripeness in the vineyard. Our vineyards are located in a unique microclimate near the shoreline on the east side of Seneca Lake. The lake is more than 700 feet deep and keeps our site warmer during the coldest periods of winter. Our western-facing vineyard slopes also benefit from extended afternoon sun.
